Create Profile page

A screenshot of the 'Edit Profile' page. The header is dark purple with a user icon and 'Logout' button. The sidebar on the left has links for Home, Posts, Developers, and Settings. The main content area is titled 'Edit Profile' and contains fields for Professional Status (dropdown), file upload (Choose File, No file chosen), Company, Website, Location, Country, Skills (text input), and a bio (text area). A note says 'Social Networks Optional'. At the bottom are 'Submit' and 'Go Back' buttons. The URL 'localhost:3000' is visible at the bottom left.

Home page

The screenshot shows a user profile for Riyad Mahrez. At the top right is a circular profile picture of him. To the right of the picture is a bio box containing the text: "I'm a junior engineer looking to learn programming", "Lives in", and "From Algeria". Below the bio is a list of skills: "✓ java", "✓ javascript", "✓ swift", "✓ HTML", and "✓ CSS". At the bottom right are social media icons for YouTube and Twitter. On the left side, there is a sidebar with navigation links: "Home", "Posts", "Developers", and "Settings".
